Velammal Matric Higher Secondary School
2016 – 2018

TECHNICAL SKILLS

- Python
- My SQL
- Javascript
- PowerBi
- HTML ,Css

FRAMEWORKS

- Django
- Flask

COURSES

- Python Full-Stack
- Communication Bridge Course
- Microsoft Office

SOFT SKILLS

- Communication
- Team Work
- Adaptability
- Problem-Solving

PROFESSIONAL EXPERIENCE

INTERN

Uniq Technology – Python Full Stack Development Intern

Duration: [Aug-2024] – Present

- Actively learning and applying Python Full Stack Development, focusing on HTML, CSS, Python, MySQL, Django, and Flask.
- Gained practical experience in developing and integrating full-stack web applications.
- Collaborated with the team to implement efficient database management and backend functionalities.
- Improved problem-solving skills through real-world development challenges. Demonstrated adaptability and a commitment to continuous learning in a dynamic tech environment.

PROJECTS

WEBSCRAPING USING PYTHON

- In 2023, completed a web scraping project using Python, requests, and BeautifulSoup.
- Utilized the requests library to send HTTP requests and retrieve data from various e-commerce websites.
- Employed BeautifulSoup to parse HTML content and extract essential information, including product names, prices, ratings, reviews, and images.
- Organized the scraped data into a structured CSV file for detailed analysis.

CERTIFICATIONS

- Python – Issued by Besant Technology
- Communication Bridge Course – Provided by Kings Learning
- Microsoft Office – Issued by National Centre for Vocational and Technical Education
