PROFESSIONAL SUMMARY

A detail-oriented Python Full Stack Developer with hands-on experience in building robust web applications using Python, Django, Flask, and MySQL. Proficient in creating responsive frontend with HTML, CSS ensuring seamless user experiences. Adept at designing, developing, and deploying scalable applications with a strong focus on clean and maintainable code.

TECHNICAL SKILLS

- **Front End:** HTML5, CSS3
- **Back End:** Python
- **Frameworks:** Django, Flask
- **Databases:** MySQL
- **Version Control:** Git, Git Hub

EDUCATION

BSc Mathematics D.G.Vaishnav College	July 2018 – June 2021 Chennai
• Coursework: Probability, Statistics, Numerical Methods, Operations Research	CGPA: 8.6

EXPERIENCE

Intern Python Full-Stack Developer Uniq Technology	July 2024 - Jan 2025 Chennai
<ul style="list-style-type: none">• Developed and maintained scalable web applications using Python, Django, and Flask.• Designed responsive front-end interfaces with HTML, CSS, and JavaScript for optimal user experience.• Built and optimized RESTful APIs to enhance system communication and performance.• Automated data collection with web scraping tools, improving efficiency by 80	

PROJECT

BLOG APPLICATION

- Developed a dynamic blog website using Django, MySQL, HTML, and CSS, allowing users to create, read, update, and delete (CRUD) blog posts.
- Implemented user authentication for secure login, registration, and access control.
- Designed a responsive and visually appealing UI using HTML and CSS to enhance user experience.

WEB SCRAPING Using PYTHON

- Developed an automated web scraping tool using Python, Requests, and BeautifulSoup to extract product details from e-commerce websites.
- Scraped and structured product data (name, price, rating, reviews, images) and stored it in CSV for analysis.
- Optimized data extraction processes, ensuring efficiency and accuracy in large-scale web scraping.

CERTIFICATIONS

- Python Programming: Issued by Besant Technologies.
- Python 101 Data Science: Cognitive Class, IBM.
- Communication Bridge Course: Provided by Kings Learning.
